FIELD TRIP ON April 10, 2021

On April 10, 2021, 22 of our Senior Citizens went on a field trip to **Port Arthur, Tx**. We rode on a bus which took more than an hour's drive.

We arrived at the **Museum of Gulf Coast**. Wow, we were surprised to see a large space. It has a lot of good information and exhibits about the people in the Gulf of Coast area. It is so much to see in the museum. They have natural history, Gulf coast history, sports, and music from the site. The two hours in the museum were not long enough. We could have spent all day there.

We had lunch at Casa Ole. We had a good time eating and chatting. It was good to be around people during the time of COVID-19. Of course, we had to wear our masks and use CDC guidelines.

After lunch, we visited the **Pompeian Villa**. It is a historic house in Port Arthur, built-in 1900. It is a modest 10-room "cottage." Rooms were built around a traditional Roman peristyle, a three-sided courtyard—many arts, relics, and furniture donated to the museum over the years.

On our way back home, we stopped at Buc-ee's for a quick snack. We had a full good day!
