Walking through HDSCLF's Memory Lane of Past April Field Trips

No HDSCLF meeting on April 8. HDSCLF struck out on not being able to go to a Houston Astros baseball game on April 23. That happened because of the COVID-19 Pandemic social distancing guidelines that kept us from gathering on these dates. Perhaps for the HDSCLF old timers, they may have wondered if it was the first time for HDSCLF **NOT** to have a general meeting in April or an April field trip in memory. Nevertheless, this Coronavirus will not prevent us from going deeper into the HDSCLF archives with thanks to Jan Dermon for her great research work to present you the list of our past HDSCLF April field trips. Enjoy your walk down the memory lane of being on these past field trips. Stay safe and healthy. Keep on washing your hands. We cannot wait to see you all soon.
